Thanks to all who came and worked, ran, and/or cheered your friends and family! The weather was better than advertised, and we had another fun-filled event at Belle Isle Park.

Raw times are shown without penalties. Each Pylon (P) hit adds 2 seconds, each gate (G or OC) adds 5 sec. The DIFF column shows the difference to the next faster RAW time within a class, or the next faster INDEX time in combined classes.

In bumped or combined classes above, trophies have been given out based on INDEX times, and not RAW times. This is an attempt to recognize drivers based on performance, regardless of car class.

FTD was taken by Chris Scafero (BSP) with a 54.930.

IFTD was taken by Bill Rietow(BS) with an indexed time of 47.481.

LFTD was Rhonda Kralemann (TASL) with a 70.003.

TFTD was Robert Whiteley(BMT) at 60.545.

Congratulations to all of you on your great performances!

Only first place finishers qualify for a Khana Pass (equal to the value of an event entrance fee less the \$1 council sanction fee). We offer the option of a trophy or a \$10 discount on your next entrance fee, for every trophy position other than first place.

If you have corrections or questions about these results, please contact Dave Rodier (boxer4dad@aol.com). Trophies will be presented at the July(?) meeting of the Michigan Sports Car Club, or you can pick them up at one of our future events.

Meetings are held on the first Wednesday of every month at Warrilows's, 2140 Hilton (N of 9 Mile) in Ferndale. Meetings start at 7:30. Any of you who would like to join MSCC are most welcome.
