<p>Thank you to everyone who ran and/or worked the July 9 autocross. Rob Hellier layed out most of the course so if you liked it, or did not, he's your man. I heard that it was an Alfa course but Vipers seem to like it also. We had only one class that was not large enough for a trophy. For all winners of Khana Passes, they will be available at the registrar at our August event at Great Lakes Crossing. For all trophy winners, the trophies are currently on back order and I will inform you when they arrive. I can be reached for questions at 248-879-9308, email is w.siess@att.net</p> <p>Thank you for your support, Bill Siess</p> <p>each bucket is 2 seconds</p> <p>each off course is 5 seconds</p> <p>* is not enough entries to make a class</p>
