Thanks to all of you who came and worked, ran, and/or cheered your friends and family! The rain held off and we had another very successful event at Belle Isle.

Raw times are shown without penalties. Each Pylon (P) hit adds 2 seconds, each gate (G or OC) adds 5 sec.

FTD was taken by David Hnatio (FSAE) car with a 42.104. IFTD was taken by Matthew Braun (SS) with an indexed time of 36.832. There was no LFTD, since all of our ladies ran in open classes.

Only first place finishers qualify for a Khana Pass (equal to the value of an event entrance fee less the \$2 council sanction fee). We offer the option of a trophy or a \$10 discount on your next entrance fee, for every trophy position other than first place.

If you have a question please contact Dave Rodier (810) 220-1137 (boxer4dad@aol.com).

Trophies will be presented at the December meeting of the Michigan Sports Car Club.

Meetings are held on the first Wednesday of every month at Warrilows's, 2140 Hilton (N of 9 Mile) in Ferndale. Meetings start at 7:30. Any of you who would like to join MSCC are most welcome.

MSCC GENERAL AND EXECUTIVE MEETING MINUTES November 5, 2008

Derek Watkins called the meeting to order at 7:41 PM at Warrilow's in Ferndale. Members in attendance were Bill Siess, Judy Siess, Rob Hellier, Tony Buglione, Roger Campbell, John F. Cowall, John J. Cowall, Bill Watkins, Derek Watkins, Dmitriy Martinov, Nick Sullivan, Steve Guth, Dave Rodier, and Rick Bohn. Guests in attendance were Dan Watkins and Dave Stefaniak.

**MINUTES:** Judy moved to approve the minutes from the last meeting as printed in the Gudgeon Pin, Rob seconded, all approved.

**MEMBERSHIP:** Judy reported we have 17 paid members for 2009. Chris Mackay and Rob Hellier are prospective members. They participated and worked at the last event. John F. Cowall moved to approve, Dave seconded, all approved. Damon Humphries is a pending member.

**NOTICE: The 2008 dues expired on October 31, 2008. The 2009 dues are due.**

We did not have a drawing for the coveted mylar badge.

**TREASURER'S REPORT:** Everything is good. We need to calculate how much we owe the Detroit Council of Sports Car Clubs (DCSCC).

**EVENTS AND COUNCIL REPORT:** We had 141 drivers on October 12. The number of drivers tested our limits for our events. We started in the dark and finished in the dark. Some suggested we limit the number of runs. Others disagreed. Offering 5 runs is something many drivers like. Some people suggested we limit the number of drivers. Some other people suggested we start earlier. The course was faster than some people preferred.

We had 106 drivers on October 26, which was more than we expected. The weather was cold, but drier than expected. Judy appreciated Nick's help during registration. We had online registration. Over the winter we need to work on improving registration, tech, and the processing of entrants.

The final standings for the Council were released. In the individual standings, Bill Watkins finished second and Rick Bohn finished third. Our teams finished tied for second and fourth. The Corvette Club of Michigan (CCM) finished first. The Detroit Region of the Sports Car Club of America (DRSCCA) tied for second. First place class winners included Bill Watkins, Mark Kopec, Derek Watkins, and Rick Bohn.

There was a discussion among Council leaders about the street modified classes. There was also an ongoing e-mail discussion regarding classes. This discussion started last year, but was tabled because we ran out of time. Several MSCC members are interested in joining this discussion.

There was a suggestion to change the Council requirement to keep registration open until 1 PM. The CCM is interested in an earlier closing time. The Alfa Romeo Owners Club is interested in keeping the closing time at 1 PM in order to allow people to go to church in the morning and go to the autocross in the afternoon.

The points keeper suggested entrants only run in their registered number. A discussion followed.

Another issue is strut tower reinforcement plates in stock classes. Derek said some cars have

issues with strut towers.

OLD BUSINESS: Bill S. needs to work with the people working in the timing truck in order to address timer issues. The equipment may be sensitive to voltage drops. The timers are also sensitive to wind and debris going through the lights.

NEW BUSINESS: Dave Bower's father passed away on Monday. Please remember Dave's family in your thoughts and prayers.
